Also, I have since posted updates to sourceforge.net <
[http://sourceforge.net/project/showfiles.php?group_id=93970&
amp;package_id=99841&release_id=491734](http://sourceforge.net/project/showfiles.php?group_id=93970&package_id=99841&release_id=491734)>

Also try running "upp" as well as "theide" They should be symbolically linked.

More later,

EBo --
