Novo wrote on Wed, 11 April 2007 05:23Sorry. I do not want to be boring, but isn't easier to use specialized libraries for this purpose? Something like ACE (http://www.cs.wustl.edu/~schmidt/ACE-overview.html).

Those guys are 15 years ahead of you.
I tried ACE some years ago, but it is a very oldschool stuff, compared to U++, I think.
