zsolti1 wrote on Fri, 13 April 2007 05:43im developing a solitaire program after upgrading to 2007.1 moving cards became slow its done in mousemove(), setting the new coordinate of the card then calling Refresh() this worked fine in previous versions (i think is used 2007.1beta3 before)

Do you think you could upload your application for the review of problem?

What is your platform? (OS, and in this case, HW?)
