Subject: FileList/FileSel: Load() function ignores the last modification time of entries

Hello,

FileList/Load() function (FileSel.cpp, ln: 467-540) ignores the last modification time of files.
Is this intentional or something missed?

Best regards,
Oblivion

Well, filetime is not needed at that point.

If you click at file, file information is fetched again ("fresh") in FileSel::Update.
