Drag&Drop seems to fail in Windows 10 and 7. MSC and MinGW.
DropFiles demo fails to accept any file by drag&drop, although it does accept them with Ctrl-V (paste).
Code compiled weeks ago works without problems.
Please check it.

Hopefully fixed. It was really a very recent bug, thanks for catching it so soon.

Mirek

Excellent, it works. I use a lot this feature, so I found this problem at once .
Thank you Mirek.
