Hello,

I have a linking problem when i try to use RegExp. Can you help me ?

Best Regards !

I have just forget to add package plugin/pcre.

It's work fine now !

Hello.
lovmy wrote on Wed, 22 January 2020 12:37I have a linking problem when i try to use RegExp.
Can you help me ?

Try to add plugin/pcre package as a dependency to main (app) package, e.g. with using TheIDE's
Package organizer. For example, as in reference/RegExp package.

Edit:
