Hello Oblivion & Mirek,

I have a question related to UppHub. Do you plan to add support for displaying screenshots inside README.md? Right now they are displayed as links and in order to display it you need to click it and see in the browser.

Klugier

**Screenshots**

The screenshots below are taken from some of the basic examples provided with the package.

**Basic terminal example:** xterm Window Manager, on Linux

**Ssh terminal example:** Jexer, on Windows 7)

**Terminal in a web browser example:** Jexer, accessed via Firefox)

**Acknowledgements**

Hello Klugier,

I am testing the image support for md, ATM.

Wben I finalize it, I'll commit the changes.

Best regards,
Oblivion
