Hello,

In the reference AK package, if the menu "Setup" add t_("Setup"), then there are a small box before Setup, if not the i18n t_, it will be ok.

In the reference AK package, if the menu "Setup" add t_("Setup"), then there are a small box before Setup, if not the i18n t_, it will be ok.

Thank you, this was a bug (only affects the immediate file where key_source.h is included, that is why it has escaped the attention...)

Fixed.

Mirek
