Hi, i am using MessageCtrl from hub as follow:

```
-----------------------------------------------
   String msg = "File [" << path << "] loaded!!!";
   DUMP(msg);

    msgx1.Animation(CFG_MSGCTRL_ANIM).Bottom().Information(*this - >GetTopCtrl(), msg,
Null, 5/*CFG_MSGCTRL_TIME*/);
-----------------------------------------------
```

And i get -> "ERROR: Unexpected end of text."

i get the issue resolved when replacing "[" with "("

Would you please give some suggestion to this

Ernesto

qtf.SetQTF(String("[G1 ") + msg);
