How can I turn the application logs off in release mode?

TIMING AAGetMap : 0.0 us - 0.0 us (0.0 us / 130), min: 0.0 us, max: 0.0 us, nesting: 1 - 130
TIMING Rescale : 0.0 us - 0.0 us (0.0 us / 65), min: 0.0 us, max: 0.0 us, nesting: 1 - 65
TIMING ChPaintImage : 17.0 ms - 548.3 us (17.0 ms / 31), min: 0.0 us, max: 1.0 ms, nesting: 1 - 31

You just have to cut the lines in draw package with macros like RLOG RTIMING. I'm sure Mirek remove them soon for good..
