Mirek,

(messages #7046 and #7050).

"Console.upt" needs the following 3 lines at the end:

< empty line >
mainconfig
 "" = "";

Werner

P. S.:
By the way, if you find my new UPTs "FunctionTestFrame.upt" and "FunctionTest.upt" (compare:

UPTs: "Function Test Frame" and "Function Test" - message #6876 - ) useful, feel free to include them in Ultimate++. (Actually, I'm working on a 3rd UPT which will provide the frame of a full-fledged "standard" application before switching to writing a macro tutorial.)

W.
