How can i catch a right mouseclick on an arrayctrl? I have a popup-menu which i can open on left mouseclick by using this code
array.WhenLeftClick = THISBACK(SOME_FUNCTION);

But there is no WhenRightClick...?

Michael

Well, right-click handling is reserved for context menu via WhenBar.

You you really need "naked" right-clicks, you have to derive your own class from ArrayCtrl and override RightDown (calling ArrayCtrl::RightDown at the beginning).

ArrayCtrl does not support WhenRightClick. To use your custom menu use WhenBar:

array.WhenBar = THISBACK(MyMenu)

void MyMenu(Bar &bar)
{
  bar.Add("Option 1")
  ...
}

array.WhenBar = THISBACK(MyMenu)

void MyMenu(Bar &bar)
{
  bar.Add("Option 1")
  ...
}

Thanks all, this works.

Michael
