how to convert HeaderCtrl to vertical? Size trick doesn't work...

let's say:

```
#include <CtrlLib/CtrlLib.h>
```

```
GUI_APP_MAIN
```

```
{  
    TopWindow w;  
    HeaderCtrl hdr;  
    hdr.SetRect(10,10,400,30);  
    hdr.Add("a1",0.5);  
    hdr.Add("a2",0.4);  
    hdr.Add("a3",0.7);  
    w.Add(hdr);  
    w.Run();  
}
```

It is not supported (yet?).

Frankly, I would like to see vertical TabCtrl first if something is to be done here...
