Hi,

I have found DropDate doesn't working correctly in version 711-dev2. There is the problem to display window with dates. DateTimeCtrl works fine in previous version 711-dev1. You can see the error ie in HomeBudged example.

Radek

Tested on LINUX, gcc 4.1.2

You mean popup is not diplayed (in linux) after clicking drop button? This is fixed by Mirek and will be available in the next dev.
