In file ArrayCtrl.h :

```
bool    GetSortDescending() const    {
```

Should be :

```
bool    GetSortDescending() const    { return sortcolumnndescending; }
```

In file BlueSkin.cpp :

```
void InstallBlueMenuBar()  
{  
    MenuBar::Style& s = MenuBar::StyleDefault().Write();  
    DDUMP((void *)s.standard);  
    DDUMP((void *)s.Standard().standard);  
    s = s.Standard();  
    DDUMP((void *)s.standard);
```

Should be :

```
void InstallBlueMenuBar()  
{  
    MenuBar::Style& s = MenuBar::StyleDefault().Write();  
    // DDUMP((void *)s.standard);  
    // DDUMP((void *)s.Standard().standard);  
    s = s.Standard();  
    // DDUMP((void *)s.standard);
```

Ciao

Max
