Got a build error in ChWin32.cpp (missing definitions).

Fix:

add

```
#include <uxtheme.h>
#ifdef COMPILER_GCC
#include <tmschema.h>
#endif
```

after

```
#ifdef _MSC_VER
#if _MSC_VER > 1400 // Visual C > 2005
#include <vssym32.h>
#else
#include <tmschema.h>
#endif
#endif
```
