I'm using latest snapshot.

If I create project with main dialog, add SqlCtrl package and SqlArray -control into it, it won't compile:

main.cpp

C:\MyApps\sqlarr\sqlarr.lay(2) : error C2146: syntax error : missing ';' before identifier 'arraysql'

C:\MyApps\sqlarr\sqlarr.lay(3) : see reference to class template instantiation

'WithsqlarrLayout<T>' being compiled

C:\MyApps\sqlarr\sqlarr.lay(2) : error C4430: missing type specifier - int assumed. Note: C++ does not support default-int

C:\MyApps\sqlarr\sqlarr.lay(2) : error C4430: missing type specifier - int assumed. Note: C++ does not support default-int

C:\MyApps\sqlarr\sqlarr.lay(2) : error C2146: syntax error : missing ';' before identifier 'arraysql'

c:\myapps\sqlarr\sqlarr.h(11) : see reference to class template instantiation

'WithsqlarrLayout<T>' being compiled

with

[

T=TopWindow

]

C:\MyApps\sqlarr\sqlarr.lay(2) : error C4430: missing type specifier - int assumed. Note: C++ does not support default-int

C:\MyApps\sqlarr\sqlarr.lay(2) : error C4430: missing type specifier - int assumed. Note: C++ does not support default-int

1 file(s) compiled in (0:01.25) 1250 msec/file

There were errors. (0:01.53)

Looks like missing

```
#include <SqlCtrl/SqlCtrl.h>
```

before including .lay file.
