MultiButton.cpp, line 346 :

```
Image m = tsz.cx > 0 ? b.img : Nvl(b.img, CtrlImg::DA());
```

Don't compile (different types on operator).
I guess it should be:

```
Image m = tsz.cx > 0 ? b.img : Image(Nvl(b.img, CtrlImg::DA()));
```

But not sure. Latter compile, anyways.
