When i try to compile any package (project) based on svn 538 uppsrc i get this error:

----- CtrlLib (GUI MSC8 WIN32 MSC) (9 / 33)

LabelBase.cpp

D:\source_codes\upps\MakeInstall\win32\upps.install.final\uppsrc\CtrlLib\LabelBase.cpp(471) :
error C2018: unknown character '0x40'

D:\source_codes\upps\MakeInstall\win32\upps.install.final\uppsrc\CtrlLib\LabelBase.cpp(517) :
error C2018: unknown character '0x40'

Switch.cpp

OS: windows xp sp3

Compiler: MSC8 Size

UPP installed: SVN 534

Line of " D:\source_codes\upps\MakeInstall\win32\upps.install.final\uppsrc\CtrlLib\LabelBase.cpp(471) " : is:
DLOG("DisplayPopup::MouseLeave");
and " D:\source_codes\upps\MakeInstall\win32\upps.install.final\uppsrc\CtrlLib\LabelBase.cpp(517) " :
DLOG("Open!");

Thank to Mirek for remove this code lines.
But the question is: why shown this errors?
Thanks for advance!
Jockey!
