I'm new to U++.Very like it!

So I write some U++ tutorial for Chinese to make U++ more widespread in China.

Tutorial <http://gxl117.blogspot.com>

Current have two chapter in the my blog,I will write more in the future.

Hi, I am a Chinese user and I like U++ very much, too. I am in Taiwan, I had introduced U++ to some of my friend. I am very happy to see some one provides a Chinese tutorial! Thank you for you contribution.
