Hi,

Is there any reason for the packages and project files beeing not sorted on the theIDE.

I have a "huge" project with lots of class files and it is not easy to find them. If list were sorted i think it would be simpler.

What do you think?

Is it easy to sort the files on the theIDE source code?

My env: Winxp + upp SVN315

Alex

There is such option in the latest release.
