Hello all

Here there are more or less updated C++ libraries comparisons including U++:

WxWidgets Compared To Other Toolkits

http://wiki.wxwidgets.org/WxWidgets_Compared_To_Other_Toolkits

The GUI Toolkit, Framework Page

<http://www.atai.org/guitool/>

Impressions on MFC vs Qt Programming. This does not include U++ but it could serve as a base for a MFC vs U++ comparison.

<http://phil.freehackers.org/kde/qt-vs-mfc.html>

Best regards

Koldo
