Hello all

Here there are more or less updated C++ libraries comparisons including U++:

WxWidgets Compared To Other Toolkits http://wiki.wxwidgets.org/WxWidgets\_Compared\_To\_Other\_Toolki ts

The GUI Toolkit, Framework Page http://www.atai.org/guitool/

Impressions on MFC vs Qt Programming. This does not include U++ but it could serve as a base for a MFC vs U++ comparison. http://phil.freehackers.org/kde/qt-vs-mfc.html

Best regards Koldo
