Hello Mirek!

I thing that you upload not all of you changes:

When I tried to compile my new package have following error:

Quote: D:\Lupascu\sourcecode\cpp\upp\svn\_google\uppsrc\Core\NetNod e.cpp:122: error:  
'RESOURCEDISPLAYTYPE\_NDSCONTAINER' was not declared in this scope

I do not found where is defined 'RESOURCEDISPLAYTYPE\_NDSCONTAINER'.

With respect, Ion (tojocky)

Ah, another Mingw blunder. It is in Win32 header.

Try this:

```
case /*RESOURCEDISPLAYTYPE_NDSCONTAINER*/0x0000000B:
```
