Updated FileSel and SQL texts.

Probably SQL texts could be reduced.

Please check if "SQL Commander" text has to be translated, as perhaps it is a proper noun.

PD: Fixed file

Hello Mirek

Please fix this in CtrlLib.t

Now it appears:

T_("Music")
esES("M sica")

T_("Pictures")
esES("Im nes")

and it should be:

T_("Music")

T_("Pictures")
