Subject: Persistent "tips"
Posted by Zbych on Fri, 23 Jul 2010 09:41:59 GMT

Hi,

Widget tips seem to be unusually persistent on linux, they don't disappear even when application loses its focus:

File Attachments

Hopefully fixed. Please check.

Unfortunately, there is no "central" tip class, so it was three different fixes... and it is possible I forgot some other tips in the process.
