Hi everybody,

I reinstall my upp and i loose RasterPlayer Ctrl
Do someone know where can i get it please!

Thank you

Hello Ratah

Raster player control is in uppsrc. You can see a link here:

<http://code.google.com/p/upp-mirror/source/browse/#svn%2Ftrunk%2Fuppsrc%2FRasterPlayer>

From where have you installed it?

Helo Koldo,

It is not includeed in the upp package i installed!!

Thank you

Hello Ratah

I mean, did you install it from .exe, .tar.gz, Launchpad, ...?

I intall from .exe in windows platform
And the RasterPlayer does not here.

Hello Ratah

Problem found in the installer. Now it is solved from svn release 3238.

Thank you for detecting the problem .

Hello,

I have another bug :
Drop down members&methods list do not appear as well for NTL Index.

GetCount(), FindAdd() methods do not apprear in the list.
Do I miss a thing or it's a bug
