Hi,

for a project of mine I've update the following files to allow the user to show the spaces with a small dot. Much like the blue line which indicates tabs, if Show tabs is on.

Maybe it's of interest to others or a candidate for inclusion in the default code base.

```
Best regards,
Martin

Hello maybe it's already fixed but there's a typo I think:

bool IsShowSpacess() const { return showspaces; }

~~

note the double s
