Hii,

When trying to remove the column from the Grid Control, I am getting assertion error as below, after removing few columns from the grid or sometimes irrespective of columns.

Error:
.....
Assertion failed in /root/upp/uppsrc/Core/Vcont.h, line 33
i >= 0 && i < items

Resource temporarily unavailable

.....

Below is my code to remove column:

```
void GridTest::Remove_Col()
{
 int count=grd.GetColumnCount();
 grd.RemoveColumn(count-1,1);
 grd.Repaint();

}
```
