Hello Mirek

If possible I would like you to add some methods to LineEdit. Now it has ScrollUp() and ScrollDown() only:

```
void   ScrollPageUp()          { sb.PageUp(); }
void   ScrollPageDown()        { sb.PageDown(); }
void   ScrollBegin()           { sb.VertBegin(); }
void   ScrollEnd()             { sb.VertEnd(); }
```
