why the gridctrl display character abnormal, always shows '1' instead.
please look at picture.
the project is the GridCtrlTest demo belongs to Thelde

Hi Wangdahu,

I get not the same result using either Win 7 and MS compiler or Linux Ununtu 12.10 and GCC compiler.

See the screenshots attached.

Could you more details on system you are using

Regards

there is no such problem with MSC10 in the same machine.Maybe U++ didn't support MSC8 well
