Hi,

I want to know how to attach digital signature to Report created with UPP.

I want to know how to attach digital signature to Report created with UPP.

Have you got somewhere with this? I am asking because I was just asked to add signing of some .pdf invoices... :)

Mirek

Hi Mirek,

Not worked on it.
Priorities got changed.

But I thought of using iText that time.

Book ref
http://pages.itextpdf.com/ZUGFeRD.html

Could not get any open-source app.
