Hello Massimo

I have got a compiling error in ProductVersion when using Visual Studio 2015 in
ProductVersion.cpp, line 169:

```
ProductVersions::ProductVersions(ProductVersions pick_ &vs) : Vector<ProductVersion>(vs)
{
}
Error message:C:\uppl\Bazaar\ProductVersion\ProductVersion.cpp(170): error C2280:
'Upp::Vector<Upp::ProductVersion>::Vector(const Upp::Vector<Upp::ProductVersion> &)':
attempting to reference a deleted function
c:\uppl\uppsrc\core\Vcont.h(162): note: compiler has generated
'Upp::Vector<Upp::ProductVersion>::Vector' here
```
