Hi Mirek and everybody involved,

Congratulations and thanks for all the great work put into the new release.

I'm now running the 2017.1 and everything seems to work just fine!

Thanks and best regards,

Tom

Hi Mirek and all U++ developing team,

Thank you for this impressive work and this new release . U++ is really one of the best IDE and tool what can be proposed to the community.

Thanks again
Regards
