

U++ - Feature #1004

Add "witz" highlight to IDE

03/03/2015 07:56 PM - Zbigniew Rebacz

Status:	New	Start date:	03/03/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	IDE	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
<p>We have got html highlight, but witz doesn't use it.</p> <p>The only problem here is how to handle "\$" expressions in code.</p>
