U++ - Bug #1044
Minor bugs in static files handling

04/19/2015 08:34 PM - Jan Dolinár

Status:	Approved		**Start date:**	04/19/2015
Priority:	Normal		**Due date:**

Target version:			**Spent time:**	0.00 hour

Description

I noticed some inconsistent behavior of the static files, depending on root variable being empty or not. Two simple fixes in the attached patch should solve it for all use cases.
