Category:	IDE		Estimated time:	0.00 hour
Target version:			Spent time:	0.00 hour

Description

It seems that we have got problems with performance. Opening assis is slow (4s - when there is no symbol to handle) due to huge elements list and **duplication**!!!

Now, even some times I have got one secund lag when moving carete in code editor. It can be realy paintfull.

History

#1 - 06/01/2015 05:04 PM - Miroslav Fidler

- Status changed from New to In Progress

- Assignee changed from Miroslav Fidler to Zbigniew Rebacz

Should be a bit better now, do you feel improvement?

#2 - 06/04/2015 05:46 PM - Miroslav Fidler

- Status changed from In Progress to Ready for QA

#3 - 06/22/2015 04:20 PM - Miroslav Fidler

- Status changed from Ready for QA to Approved
