U++ - Bug #1157
New logo is too long when "GTK" is visible

06/28/2015 01:34 PM - Zbigniew Rebacz

Status:	Rejected		**Start date:**	06/28/2015
Priority:	Normal		**Due date:**	
Assignee:	Miroslav Fidler		**% Done:**	0%
Category:	IDE		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

I think we have got small problem with new logo when "GTK" is visible. The string "TheIDE (64 bit) (GTK)" overlaps logo. More information in screenshote

History
