#### History

##### #1 - 07/29/2015 10:44 PM - Jan Dolinár

- File build\_info.patch added
- Status changed from New to Patch ready
- Assignee changed from Jan Dolinár to Miroslav Fidler

Attached patch provides required functionality. Should be 100% equivalent to the code in TheIDE itself.

Once you approve and apply this, you can update umk on the machine that builds the tarballs and than build time can be added back to the About box in TheIDE.

##### #2 - 07/30/2015 09:34 AM - Miroslav Fidler

Cool, thanks!

Patch applied, leaving open so that I do not forget to update umk/reenable about...

##### #3 - 08/21/2015 11:48 AM - Miroslav Fidler

- Status changed from Patch ready to Approved
