

U++ - Feature #123

TheIDE: SSE2 build flag as option for project templates

10/12/2011 08:31 PM - Sender Ghost

Status:	Approved	Start date:	10/12/2011
Priority:	Normal	Due date:	
Assignee:	Miroslav Fidler	% Done:	100%
Category:	IDE	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
<p>Currently, SSE2 build flag defined by default for U++ project tepmlates (#9).</p> <p>But I think, it will be useful possibility to (de)select SSE2 option at project creation time.</p>			

History

#1 - 10/12/2011 09:13 PM - Sender Ghost

- File deleted (uppsrc_Templates.diff)

#2 - 10/12/2011 09:15 PM - Sender Ghost

- File uppsrc_Templates.diff added

May be, "Use SSE2" instead of "Streaming SIMD Extensions 2" is better option name, for consistency with "Configuration flags" window options.

#3 - 10/14/2011 10:29 AM - Miroslav Fidler

- Status changed from Patch ready to Approved
