It seems you have changed values a little bit. Here is solution for this bug (CtrlLib/ChGtk.cpp - line 210):

```
s.ok = GtkImage("gtk-ok", DPI(4), DPI(16));
s.cancel = GtkImage("gtk-cancel", DPI(4), DPI(16));
s.exit = GtkImage("gtk-quit", DPI(4), DPI(16));
```

s.ok = GtkImage("gtk-ok", DPI, DPI); instead of s.ok = GtkImage("gtk-ok", DPI, DPI);
