Category:	CtrlCore	Estimated time:	0.00 hour
Target version:	Release 2015.2	Spent time:	0.00 hour
Description			
<p>1. Start clicking on button that has got "Check" option in toolbar. After several clicks (two or more) it starts causing problems.</p> <p>2. It seems that it is GTK backend problem, because it works fine on X11.</p> <p>3. This bug is quite important, because it can affects other things in this backend.</p>
