Priority:	Normal	Due date:		
Status:	Rejected	Start date:	11/23/2015	

History

#1 - 11/23/2015 08:38 PM - Zbigniew Rebacz

ALT is used to star dragging windows.

#2 - 11/23/2015 08:38 PM - Zbigniew Rebacz

- Assignee deleted (Miroslav Fidler)

#3 - 06/23/2016 08:15 PM - Zbigniew Rebacz

- Status changed from New to Rejected
- Assignee set to Zbigniew Rebacz

Seems that it works - ALT + SHIFT works with KDE 5 - Can we close it? I think we can close it - it is probably minor issue now.
