History

#1 - 01/19/2016 09:08 AM - Miroslav Fidler

- Target version changed from Release 2015.2 to Release 2017.1

#2 - 01/19/2016 09:11 AM - Miroslav Fidler

- Category set to Assist++

Was caused by unterminated string literal (csv header). But perhaps we could recover after that...

#3 - 01/21/2017 10:28 PM - Zbigniew Rebacz

The description of this problem is too enigmatic. Can you post at least code sample.

#4 - 01/23/2017 10:15 PM - Zbigniew Rebacz

- Target version deleted (Release 2017.1)
