U++ - Feature #1453
Remove optimal mode, optimize everything for speed...

05/18/2016 02:49 PM - Miroslav Fidler

Status:	Approved		**Start date:**	05/18/2016
Priority:	Normal		**Due date:**	
Assignee:	Miroslav Fidler		**% Done:**	0%
Category:	IDE		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour
Description				

History

#1 - 05/18/2016 08:24 PM - Zbigniew Rebacz

On Android we have - debug and release. Do you plan the same?

#2 - 07/02/2016 05:39 PM - Miroslav Fidler

- Status changed from New to Approved

Debug and release is exactly what we need...
