U++ - Bug #1475
Find in current file should work when file is uppdate

06/20/2016 10:58 PM - Zbigniew Rebacz

Status:	New		**Start date:**	06/20/2016
Priority:	Normal		**Due date:**	
Assignee:	Miroslav Fidler		**% Done:**	0%
Category:	IDE		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

It is hard to find in file that is currently updated, because the content is scroll on the top - for example programs that continually generates logs is hard to maintain.
