Category:	IDE		**Estimated time:**	0.00 hour
Target version:	Release 2017.2		**Spent time:**	0.00 hour

Description

The only things that prevents me too abandon notepad++ is that feature mentioned in the topic. The output should be exactly the same like this used in find in file.

The problem with find in files is that you cannot used it with current file.

History

#1 - 02/24/2017 06:16 PM - Zbigniew Rebacz

- Priority changed from Normal to High

#2 - 03/16/2017 07:57 PM - Miroslav Fidler
