Description

Some time to time I noticed that help icon is disabled on the menu bar. The fix here is simply and it is related to the CtrlLib, on of the method should explicitly call Enable(true) to fix that issue. Mirek, please check and let me know it is OK. More information in diff.

History

- Status changed from New to Patch ready

#2 - 05/01/2017 12:24 PM - Miroslav Fidler

- Status changed from Patch ready to Approved

Good catch, hopfully fixed now (needed a bit more to fix completely)
