U++ - Bug #169

Save to package 'init' files tends to generate false positive for svn commits

11/14/2011 01:27 PM - Miroslav Fidler

Status:	Approved	Start date:	11/14/2011	
Priority:	Normal	Due date:		
Assignee:		% Done:	0%	
Category:		Estimated time:	0.00 hour	
Target version:		Spent time:	0.00 hour	
Description		•		
(because it generates a new blitz_index)
