

U++ - Feature #1801

Zstd custom memory allocation routines

10/24/2017 08:22 AM - Miroslav Fidler

Status:	New	Start date:	10/24/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
It looks like it is possible to replace malloc in Zstd using context...
